MEMORANDUM FOR: Deputy Director for Operations  
FROM: Deputy Director of Central Intelligence  
SUBJECT: IG Inspection Report [REDACTED]

1. The attached report is fairly gratifying in that it assures me that there is no malfeasance or impropriety associated with some [REDACTED] procurements. There are several suggestions, however, concerning tidying up and I urge their implementation.

3. The same may also be true of the [REDACTED] situation.

4. At any rate, I suggest you do a CI/security analysis of what was involved to ensure that the integrity of our operations [REDACTED] involved remains intact.
